

Occuppy Library 2020

Ignite Talks

Ignite Talks are short 5 minutes talks with 20 slides that automatically advance. The presentations are meant to make the audience interested in a subject or an idea that you think is worth sharing. The Ignite Talks are grouped in sessions and are followed each by a Q&As session.

Ignite Talks must address one of the themes for Occuppy Library 2020:

- Serving communities in times of crisis
- Partnerships for strong democracies
- Active citizenship in analog and digital format
- Emerging tech trends to empower communities
- Public spaces and community engagement

Ignite Talks is an opportunity for sharing of innovative projects of regional and international relevance. We hope the Ignite Talks will enhance connections between up-coming library innovators and experienced professionals in the Central, Eastern Europe, Caucasus and Caspian regions.

The proposal for Ignite talks should not exceed 500 words and be accompanied by a short bio of the presenter(s).

Please send your proposal to occuppylibrary@progressfoundation.ro with subject line Occuppy Library by 1st of August 2020.

Occuppy Library ® 2020 is an independent event organized by the Progress Foundation with the support of Next Library® and in co-operation with the Occuppy Library Steering committee.
