OCCUPY LIBRARY

Occupy Library 2020

Open-themed interactive sessions

We are looking for open-themed interactive sessions to cover topics relevant to libraries and NGOs, which the 5 official themes failed to address / did not cover.
The form of the session may vary from panel-discussions to interactive workshops of practical Labs, and they will be moderated / facilitated by the initiator (the person who proposes the OTIS)

The proposal for the open-themed interactive sessions should not exceed 500 words and be accompanied by a short bio of the host and guest speakers in the session (or the short description of the guest-speaker profile, at least).
The sessions are 90 minutes long, including Q&A sessions or other sorts of interactions.

Please send your proposal to occupylibrary@progressfoundation.ro with subject line Occupy Library by 1st of August 2020.

Occupy Library ® 2020 is an independent event organized by the Progress Foundation with the support of Next Library® and in co-operation with the Occupy Library Steering committee.
